

HIRING DAY IN STORES

October 14 – from noon to 7 p.m. in Quebec participating stores

Eighteen RONA and Reno-Depot stores will hold a hiring day on October 14 from noon to 7 p.m. Candidates can come to one of the participating stores and meet our teams, with or without a resumé. Decisive physical distancing and disinfecting measures adapted to the current context will be applied to protect the health and safety of all.

In particular, candidates will have to:

- Wear a mask at all times
- Wash their hands prior to entering
- Maintain a 2-metre distance from recruiters, other candidates, or customers, both inside and outside the store

In addition to following these measures as well, store teams will disinfect surfaces and equipment between each candidate. Other measures could be added if physical distancing becomes difficult to maintain.
