

INTERVIEWS AT THE BOUCHERVILLE DISTRIBUTION CENTRE

220, chemin du Tremblay, Boucherville – October 17, from 9 a.m. to 3 p.m.

On October 17, from 9 a.m. to 3 p.m., our recruiting team will conduct interviews for open positions at our Boucherville Distribution Centre, including warehouse worker and order picker.

- 1- Candidates can come on that day at the Boucherville head office parking lot.
- 2- Depending on the number of people present, they will either be interviewed promptly by our recruitment team or asked to wait in their car or the waiting area, where physical distancing will be applied (they will be provided with an estimated waiting time).
- 3- At their turn, a member of the recruiting team will lead them to a dedicated interview area.
- 4- If they can't wait to meet the team on site, they will be invited to secure an online interview in the following days.

Decisive physical distancing and disinfecting measures, adapted to the current context, will be applied to protect the health and safety of all.

In particular, candidates will have to:

- Wear a mask at all times
- Wash their hands prior to meeting the recruiting team
- Maintain a 2-metre distance from recruiters, other candidates, or employees

In addition to following these measures as well, the recruiting team will disinfect surfaces and equipment between each candidate. Other measures could be added if needed.
